

CTS JOINS FORCES WITH AFRIT TRAILERS

We are proud to announce that *Afrit Trailers* have acquired a stake holding within *CTS Group*. We firmly believe that together we will provide a superior service and improved “transport solutions” to our existing and potential customers.

CTS Specialised Products will now operate as *Afrit Tanker Solutions (ATS)* as per below article.

CTS Trailers will operate as normal, but now as a Division of Afrit. The day to day operations will still be managed by Deon Prinsloo and Nathan Prins and the *CTS Team*.

We are proud of the *CTS Trailers* brand that has been well established and looking forward to the opportunities that this new venture will bring. Synergies between the companies will be reviewed and the best practice will be implemented ensuring a world class product and service for our customers.
