

### Fitter and Turner

CTS Trailers, a leading manufacturer of truck and trailers is seeking a skilled **Fitter and Turner** for assembling, maintaining, and repairing truck and trailer components. The ideal candidate requires a combination of formal education and hands-on experience to ensure safe and efficient operations in a fast-paced production and service environment.

#### Key Responsibilities:

- **Machining:** Shaping metal parts (bushes, shafts, pins, gears shafts, etc) using various materials like steel, aluminium, etc.
- **Maintenance:** Performing preventative and breakdown maintenance on mechanical equipment.
- **Safety:** Strict adherence to occupational health and safety regulations.
- **Work Environment:** Workshops or manufacturing plants with potential exposure to noise and industrial machinery.

#### Requirements:

- **Educational Background:** A Grade 9–12 certificate with Mathematics and Physical Science is generally required.
- **Apprenticeship/Training:** Completion of a 3-year or 4-year apprenticeship (often QCTO-accredited) involving a combination of institutional training (theory) and workplace experience.
- **Certification:** Passing a trade test (Red Seal) advantage, if not minimum experience of 3 to 5 yrs.
- **Skills:**
  - **Precision Machining:** Ability to operate lathes, milling machines, drill presses, and grinders.
  - **Technical Drawing:** Proficiency in reading, interpreting, and working from engineering blueprints.
  - **Hand Skills:** Ability to use hand tools for filing, sawing, and assembling components.
  - **Maintenance & Fault-Finding:** Ability to diagnose, dismantle, repair, and install complex mechanical assemblies.

**To apply, please send your detailed CV with a certified copy of your ID and proof of qualification to [karla@hrmconnect.co.za](mailto:karla@hrmconnect.co.za)**
